

Herbicide Workshop

CCH's requested
 5.5 - category 3a
 6.5 - category 3b
 5.5 - category 6
 4.0 - RT license

This one day workshop is designed for beginners and for more experienced professionals who want more information on herbicide use principles and discussion of how to control common green industry weeds. This workshop offers training in weed identification, integrated weed management, selecting the right herbicides, enhancing weed control, and updates on the latest weed research findings.

Workshop Offered At Two Locations
