

TESTIMONIALS

“The mission of the MRTF directly supports the product our customers receive. Once an annual donation program is established, it is self-sufficient long into the future. It’s a meaningful and tangible legacy.”

- Ryan Baldwin, Former Superintendent
Highland GCC (7 year contributor)

“Elcona Country Club has had a long tradition of involvement with the MRTF through annual donations from members that are directly applied to turf research at Purdue University. With proper communication, they can see, as well as understand, the benefits that their donations provide...”

- Ryan Cummings, Superintendent
Elcona CC (25+ year contributor)

ABOUT THE PROGRAM

Help us advance the turfgrass industry by supporting turf research and education at Purdue University.

We would like your help reaching our fundraising goals by contributing through our "Chip In" Program. There are many different ways to help and we are willing to be flexible in order to accommodate what will work best for your course/club.

Please see the inside of this brochure for examples of ways to contribute, testimonials from current contributors, and what is in it for you.

WAYS TO CONTRIBUTE

While there are MANY ways to give, please see some examples below. If you have a different idea, please feel free to reach out to us so we can work on the details.

- * A \$1.00 per round increase for one month of the year to be donated.
- * A \$1.00 cart rental increase for one month of the year to be donated.
- * A donation from each member (private courses) collected on their monthly dues. (\$20/member is suggested)
- * Straight cash donation.
- * What ideas do you have?

WHAT'S IN IT FOR YOU?

We'd like to show some appreciation for your help in supporting our mission. Each course/club that participates in the "Chip In" Program will receive the following:

- * Custom poster recognizing their participation to hang in the Pro Shop.
- * Informational brochures highlighting the MRTF's mission.
- * Recognition on our website and at all major events throughout the year.

HELP US IMPROVE GOLF COURSE PLAYING CONDITIONS AND ENHANCE SUSTAINABILITY.
